| 11 th December | Making crafts activities for the celebration: . Christmas Party | On the night of December 11, the gymnasium of School D. Sancho I overflowed with the Christmas spirit as it was chosen to be the place of the Christmas party, organized by the students EFA, TAE1 and TAE2, Course of Action in Education. The party, especially to children until the age of eight, sons of trainees, trainers, support staff and their families, had also in the assistance their own parents. Among the highlights of the event were the clowns, a play alluding to the three kings and some traditional songs. There was a big «wall» of paper on which everyone could draw and write, applying to creativity. The party ended with a lunch in the school cantina, where everyone could renew their strength after having participated strongly in the show, either as assistance, whether as actors. |
